

Einhell (EINTCSM21311)

TC-SM 2131/1 Dual Sliding Mitre Saw 1500W 240V

The Einhell TC SM 2131 1 Dual Sliding Mitre Saw is ideally equipped for a wide range of jobs. Its high grade carbide saw blade cuts through wide workpieces thanks to its smooth and stable drag function. For exact angular cuts, the turntable has a precise angle adjustment facility with locking positions for the most common angles. Also, the saw head can be tilted to the left and right for mitre cuts. All angle scales are easy to read. There is a mains powered laser for precise guidance while cutting. Other features include a sawdust bag and dust funnel located behind the saw blade to remove sawdust more effectively.

Specifications

- Input Power 1 500W
- No Load Speed 4 900 min
- Saw Blade 210 x 30mm x 48T
- Mitre Cut 45 to 43;45
- Swivelling Range 47 to 43;47
- Cutting Width 90 x 90 310 x 62mm
- 90 x 45 210 x 62mm 45 x 90 310 x 36mm 45 x 45 210 x 36mm
- Max. Cutting Width 45 210mm 90 310mm
- Suction Adaptor 36mm
- Weight 11kg
