

STANLEY® Hand Tools (STA051310)

# Curved Claw Hammer Fibreglass Shaft 570g (20oz)

This Stanley Curved Claw Hammer has a lightweight design with a long handle for improved performance and less user fatigue. The handle has a fibreglass core that adds strength and helps to reduce vibrations. The polished smooth face has a tempered rim to reduce incidences of chipping. 1 x Stanley Curved Claw Hammer Fibreglass Shaft 570g 20oz
